Attached please find a slightly revised version of the Settlement Agreement showing as red-lined changes, my edits to the Beyerlein Release in Paragraph 3. As you will see, I propose to attach the Transcript of Proceedings as an exhibit and limit the claims reserved to the claims identified in the Transcript of Proceedings, which did not include any reservation to bring claims against Plaintiff's counsel.

Please advise ASAP that the changes are agreeable and I will have Nick Fox circulate execution copies for everyone to sign. Thanks.

Counsel,

Upon receipt of the Settlement Agreement received Friday afternoon, Attorney Katz and I offer the following:

The settlement agreement clearly does not accurately reflect what was discussed and agreed to before Judge Mannion.

"Claims against Plaintiff's counsel" was not an exception that was agreed to on October 21st.

Regarding "Other claims as established by the Court on October 21, 2016", this stipulation is vague and undefined.

Kindly advise by 5:00 p.m. EST today as to whether the above two exceptions will be removed from the proposed agreement. Otherwise, I will schedule another conference to be held with Judge Mannion as soon as possible.

Angelo,

Attached is the annotated Settlement Agreement containing feedback from George Chada. Mr. Chada's edits are contained in Section 3 of the Settlement Agreement. In response to Mr. Chada's edits, we added language in Section 3, subsection 4; and also in Section 4 on Boenning's behalf.

If you are amenable to the Settlement Agreement as written, we can proceed to finalize the document.

Very best,

NF

Counsel,

It is my understanding that Defendant Beyerlein's counsel promised feedback on the settlement agreement by last Friday.

Any news?

Angelo
